The Localism Act introduced new rights and powers which local communities can use to shape new development by creating a **Neighbourhood Plan**.

The **Durham City Centre Neighbourhood Planning Forum** is an officially-approved group of volunteers who live and/or work in Durham City.

We operate across most of the 'historic' area of the City plus Nevilles Cross.

Our task is to create a Neighbourhood Plan for Durham City Centre which will:

- Establish local planning policies for the development and use of land in the City Centre, within the framework of the County Durham Plan.
- Be independently examined and put to a referendum of local people for approval.
- Be legally adopted, if approved, and used to determine planning applications and guide planning decisions.
