**Apologies:** John Ashby, Karen Elliott, Ann Evans, Jonathan Lovell, David Miller, Matthew Phillips, Ros Ward.

**1. Notes of Working Group Meetings 7 and 21 June**

The notes were agreed and **Sue** will post them on the website.

**2. Timetable for producing the plan**

We discussed the timetable drafted by David M. Our considerations included the fact that members of the group would be taking holidays, the need to avoid clashing with the County Plan consultations and local elections next May, and the amount of work still to be done on some of the themes, particularly the Community theme. In the light of these considerations, the following revised timetable was **agreed**:

**Mid-August:** theme co-ordinators to circulate policies to the working group.

**Tuesday 6 September:** working group to scrutinise policies

**October:** Forum to agree policies

**November/December:** working group to finalise draft plan and consultation procedures, including summary document

**January/February:** public consultations

**March:** working group and Forum (AGM) agree final plan for submission to County Council

**June:** Referendum

**3. Theme Template**

This had been agreed at the meeting on 21 June, but members of the group felt the need for further guidance, particularly on the wording of policies and how to deal with general planning requirements. **John L.** will invite Gavin Scott to a meeting to advise us on these matters. He will also invite him to the meeting on 6 September when we scrutinise the policies.

**4. Documentation**

**Sue and Roger** are working on a secure system for the circulation of plan documents and on the public consultation documentation. **David M.** is working on the consultation summary document.
