3. Review of actions taken by the Forum and Working Group since 22 February

- The Tuesday Forum meetings have in fact only been attended by members of the working group. They had been established to give Forum members the opportunity to review what was being done by the working group. All are welcome to attend.
- Members of the Forum congratulated the working group on what it had achieved and commented particularly on the high quality of the draft plan that had been presented for the public consultation.
