2. WEBSITE COMMENTS

2a. Response Rate

221 comments (1 = duplicate in total of 222 comments) from 59 individual people / groups

2b. Analysis

The number of website comments that gave positive or negative responses to the Plan/policies. This was done by looking for the occurrence of words such as support, agree, endorse, and disagree, not, against. This is a minimum level of support as comments that were supportive but did not use the words searched for were not included in the count.

121 (55%) website comments supported the Plan
1 was in disagreement
